

"STOP REQUEST" button

STOP REQUEST push button

- Legendable with all pictograms of M-DOOR range
- With or without illumination
- Single or dual color illumination

Standards:

- EMC : ECER10
- Fire/Smoke : ECER118
- ROHS : REACH

Mechanical characteristics:

- Mounting on 35mm pole
- Actuator : IP40
- Activation force : 11 N +/- 20%
- Mechanical service life : 1 000 000 operations
- Operating temperature : -25° / +70°

Options:

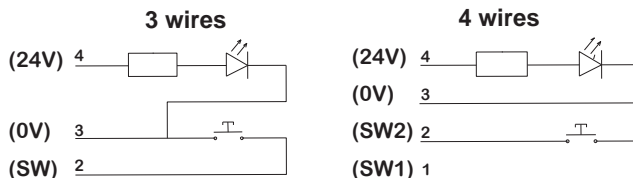

- Adaptator for pole Ø 30 mm
- Backlit adaptator for pole Ø 30 mm to 35mm (only available for single color schematic)

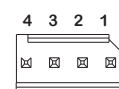

Electrical characteristics:

- LED : 16/32V 20mA max
- Switch : 24V 50 mA max

Single color schematic :

Connector
